Journey Groups (Connecting) are our way of doing life together in love from God's Word.

Connecting with one another is a lot of things - sharing good times and having the support you need to get through difficult times; serving others together and making a difference; growing in a lived-out understanding of the Bible and how it connects to real life. We're looking forward to becoming friends!

Our Mission: To reveal the love of the Father through the life of the Son in the power of the Spirit...

Our Purpose: To build a authentic community of growing disciples who follow Jesus as Lord through four daily passions: Worshipping, Sharing, Connecting and Serving!
